Dear HHL Shareholder,

On 9 March 2017, HHL announced its intention to merge with Pengana Holdings Pty Limited (**Pengana**). This proposal (if implemented) will result in the shareholders in Pengana becoming shareholders in HHL by way of a scrip for scrip swap.

## 1. Proposed merger of HHL and Pengana

HHL has today announced that it has entered into an agreement with certain shareholders of Pengana, which includes WHSP Pengana Pty Ltd ACN 616 534 840 (**WHSP Pengana**), a wholly owned subsidiary of WHSP, under which it is proposed that HHL will acquire all the issued share capital of Pengana (**Pengana Shares**) from the Pengana shareholders and each Pengana shareholder will receive 120.2 HHL Shares for every one Pengana Share (**Merger Agreement**) (**Proposed Merger**).

HHL's directors have unanimously recommended that HHL Shareholders vote in favour of the Proposed Merger, subject to the favourable opinion of an independent expert and in the absence of a superior proposal.

The Bidder considers that the fact of the Proposed Merger is material to the making of a decision by a HHL Shareholder whether or not to accept the Offer. If implemented, the Proposed Merger will result in an enlarged HHL group, with a significantly enhanced business.

Implementation of the Proposed Merger is subject to conditions, and implementation may not occur if these conditions are not satisfied. These conditions include the HHL Shareholders voting to approve the Proposed Merger. The required resolutions will require an affirmative vote of a majority of the votes cast by HHL Shareholders. WHSP Pengana and its associates will not be able to vote on the approval resolutions.

A copy of the Merger Agreement, and an investor presentation relating to the Proposed Merger are contained in announcements issued today by HHL. These documents are available in electronic form at [www.asx.com.au](http://www.asx.com.au).

HHL Shareholders may therefore wish to retain their HHL Shares rather than accepting the Offer in order to participate in any increase in value or other benefits that may accrue to HHL Shareholders as a result of the potential for HHL to perform more strongly after implementation of the Proposed Merger, should that occur, than HHL would have performed in the absence of the Proposed Merger.

However, HHL Shareholders who do not want to take the risk that HHL may not perform more strongly after implementation of the Proposed Merger, should that occur, may prefer to accept the Offer or to sell their shares on-market. HHL Shares are currently selling on-market at a significant premium to the Offer Price.

## **2. The Bidder's intentions**

If the Proposed Merger is implemented, the Bidder's sibling entity WHSP Pengana will acquire approximately 27% of all HHL Shares on issue after implementation of the Proposed Merger. The Bidder's percentage stake in HHL would be diluted. Nonetheless, the WHSP Group would emerge holding approximately 32% of all HHL Shares on issue after implementation of the Merger Proposal, assuming that the Bidder does not receive more acceptances under the Offer and retains its existing holding of 20.2% of all HHL Shares currently on issue. The percentage holding of the WHSP Group would increase if the Bidder receives more acceptances under the Offer.

If the Proposed Merger is implemented, WHSP will appoint a director to the HHL Board.

If the Proposed Merger is implemented, the Bidder's intentions with respect to the continuation of the business of HHL, any major changes to be made to the business of HHL and the future employment of the present employees of HHL would be influenced by WHSP's, WHSP Pengana's and HHL's objectives for HHL and its business. According to an announcement by them to ASX today these objectives include to achieve circa \$6 million per annum of synergies by the reduction of back-office charges, reduction of occupancy costs and process improvements.
