

ASX Announcement

FY20 Results update and change of date for AGM

27 October 2020- WHSP released its Appendix 4E and Preliminary Final Report (Results) on 24 September 2020 based on accounts that were in the process of being audited and at this time announced the date for its Annual General Meeting (AGM).

Annual General Meeting

WHSP's AGM will be held on Wednesday, 9 December 2020 at 12 noon. Due to government restrictions relating to COVID-19 it will be held online. Further details on how to vote at and attend this year's AGM will be included in the Notice of Meeting.

Since the announcement on 24 September, Lead Independent Director Michael Hawker has advised of his upcoming appointment to the Board of Westpac. Westpac's AGM is on Friday, 11 December and due to the conflict with WHSP's previously announced date for its AGM, the WHSP Board has resolved to hold its AGM on Wednesday, 9 December.

Results Update

During the subsequent finalisation of the audit of the consolidated financial report non-cash accounting adjustments were identified resulting in a reduction to the 31 July 2020 accounting value of long-term investments as previously disclosed in the Report released on 24 September 2020.

The financial impact of the adjustments to the Preliminary Final Report released on 24 September 2020 is summarised on the following page.
