

Receiving shareholder communications

Receiving your shareholder communications electronically is the best way to stay informed. By minimising paper usage, you will assist WHSP with its commitment to managing its impact on the environment.

If you haven't already, we encourage you to make the switch to paperless communications and provide us with your email address. To make the change, go to www.computershare.com.au/easyupdate/sol and follow the prompts.

You can make an election as to how you would like to receive certain documents including Annual Reports and documents related to shareholder meetings (for example notices of meeting and proxy/voting forms):

- 1 You can make a standing election to receive the documents in physical or electronic form;
- 2 You can make a one-off request to receive a document in physical or electronic form; or
- 3 You can tell us if you do not want to receive a hard-copy of the Annual Report. You will be able to access and read our Annual Report when it is published on our website and the ASX platform.

To tell us your preference, go to www.computershare.com.au/easyupdate/sol and follow the prompts.
